

Fiscal Year 2019 Financial Support

Thank you to our supporters who enable the Council to produce relevant and timely content that provides insight on critical global issues, advances policy solutions, and fosters dialogue on what's happening in our world and why it matters to you. We sincerely appreciate the support we receive from individuals, corporations, and foundations.

The Council is committed to being as transparent as possible concerning the sources of its funding for operations, programs, research, and project support. This report lists sources of funding for fiscal year 2019 (July 2018-June 2019), separated by amount and designation (if any), as well as statements of the Council's financial position.

If you have any questions about the annual statement, please contact membership@thechicagocouncil.org.
